Daerah Istimewa Yogyakarta  
Mobile : +6281249710599  
Date of Birth : February 11, 2001

---

Graduated with a D3 in Informatics Management from State Polytechnic of Malang, I have approximately 1 year of experience as an Odoo Programmer and 2 months as a Mobile Developer. I possess a strong understanding of ERP Odoo and its various modules such as Purchase, Sales, Point of Sale, Accounting, Inventory, and Manufacturing. I am proficient in programming languages including Python, JavaScript, XML, PostgreSQL, MySQL, Kotlin, PHP, and HTML/CSS. I am capable of working under pressure and am committed to continually improving my skills and knowledge to deliver the best results in software development.
